A Professional Development Reimbursement (PDR) provides early childhood (EC) and school-age (SA) professionals residing in Alaska with funding of up to \$1,500 per State fiscal year (July 1—June 30) for higher education and/or training.

Eligibility Criteria:

1. You must be operating, or be a paid employee of, a licensed (State of Alaska or Municipality of Anchorage) child care facility, Head Start, or pre-elementary school district program, or a State of Alaska Child Care Assistance Program approved child care facility.
2. You must have an active/current/updated SEED Registry membership. You may submit or renew an application online at www.seedalaska.org. For more information, contact SEED at: info@seedalaska.org or 907.265.3194 or 855.265.7333.
3. Training must be in early childhood and/or school-age education (birth through age 12), health and safety, facility administration, and/or topics directly related to working with young children. Higher education/training must be successfully completed with at least a “C” equivalent or “Pass”. **For conference reimbursement requests, applicants must submit a copy of the Certificate of Participation with stickers for each workshop session matching the day(s) registered as proof of attendance or reimbursement may be denied.**
4. PDR funding is only guaranteed for those who submit completed applications, receipts and proof of completion within 60 days of completing the education/training. **Applications received after 60 days will not be accepted.**
5. Applicants may use a combination of funds **up to and not exceeding \$1,500 per State fiscal year** for approved training and/or higher education as follows:
