Youth Volunteers (Volunteers under the age of 18) are required to provide a signed waiver that includes the signature of a parent or guardian.

Volunteers age 14-17 as of April 11, 2025: We accept a few volunteers between the ages of 14-17. **A waiver signed by a parent or guardian is required.** Volunteers age 14-17 can only be assigned to a NON-clinical area approved by the ARMOM staff. Volunteers under the age of 18 cannot work on the clinic floor. Please provide a signed waiver in advance.

Volunteers age 14-15: Each youth age 14-15 **must be working beside and supervised** at the event **by a parent or guardian** who is also registered as an adult ARMOM 2024 Volunteer and who will take full responsibility for the youth during the event. Enter the name of your parent or guardian who is also an ARMOM 2024 Volunteer. Please provide a signed waiver in advance.

Volunteers age 16-17 do not have to have a parent/guardian on site, but ***we must have a signed waiver on file*** before they can be allowed to work at ARMOM. Please provide signed waiver in advance.
